FLY AWAY

REMIXES

ERIC C. POWELL

FEATURED REMIXERS

Eric and Andrea wish to thank the amazing artists, producers, and remixers that contributed to this project. It has been such a pleasure to hear our songs reworked, and sometimes even completely reimagined, with new and different palettes. We encourage you to dive deeper into each contributing artist, follow their socials, and support their music on bandcamp or other platforms.

ANDRIK ARKANE

With an affinity for glossy pop melodies and nightmarish beats, Andrik Arkane combines EDM, dubstep and trap with elements of metalcore and pop to create a catchy, yet edgy sound.
